Invites you to participate
In a Public Hearing regarding
Washington State's Child Care Development Fund Plan
For the period 10/1/03 through 9/30/05

The Child Care Development Fund (CCDF) is our state's principal source of federal funds for child care subsidies for low-income families, and for initiatives to improve the quality of child care. The CCDF Plan describes how our state will spend our federal child care dollars.

Public hearings are being held to formally present our state's plan and to accept public comment on the provision of child care services. You may also view and comment on the CCDF plan online at www.dshs.wa.gov/esa/dccel.
